

MSI Cubi 5 1M-437BEU 0.6L sized PC Black 150U Intel SoC

Model: 936-B0A821-437

Manufacturer: MSI

EAN: 4711377397056

Product Code: 1738808

R11,060

Mini. Sleek. Powerful.

Whether you're managing everyday tasks or multitasking with ease, the Cubi 5 Series delivers reliable performance in a sleek, space-saving design.

Power in the Palm of Your Hand.

Take it with you whenever needed, as it functions as both a mini PC and a portable storage device.

Performance That Keeps Up With You

With up to an Intel® Core™ 7 processor and Dual-Channel DDR5 memory, it delivers fast, efficient performance for demanding business tasks.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Thunderbolt 4:

A Single Cable to Serve All

The Thunderbolt 4 supports up to 40Gb transmission speed, brings fast speed and versatility, offering a fast and simple level of connection for work.

Wi-Fi 6E Support

Wi-Fi 6E delivers ultra-fast speeds and increased network capacity, which is essential for efficiently managing AI workloads.

DDR5 Dual-Channel

DDR5 memory with dual-channel can enhance work efficiency and quality, processing large amounts of data and complex multitasking quickly and reducing waiting times and delays.

MSI with Microsoft Copilot

Work smarter, be more productive, boost creativity, and stay connected with Copilot—an AI companion adapts to your needs.

Built for Sustainability

The Cubi 5 Series blends business-centric design with environmental responsibility - an embodiment of MSI's dedication to sustainability. By utilizing green material, ensures not only the products' durability but also commits to a greener world. Our commitment extends to incorporating sustainable materials in both our product design and packaging. It embodies sustainable value and heightened productivity.

Power Meter

The Power Meter enables one-click power saving, carbon emission calculation & electricity cost estimation.

One-click Power Saving

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
itworkup.co.za | sales@itworkup.co.za | +27 (11)541-9950

Record the computer power consumption and achieve more power-saving settings through a One-click Power Saving button.

Calculator

Users can gain insights into their carbon footprint and the environmental benefits, such as trees saved.

Energy Recommendations

Collect settings that have an outsized impact on power consumption in one place, making it easy to reduce the power consumption.

Secure Inside and Out

MSI desktop PCs offer both virtual and physical protection with features like dual LAN for network redundancy, fTPM for data encryption, and Kensington lock support for added physical security — keeping your system safe online and offline.

Dual LAN : 2.5G & 1G

Connect and transfer data quickly over a high-bandwidth, low-latency LAN.

Kensington Lock

Secure the unit with a Kensington lock design.

fTPM Support

fTPM encrypts data and passwords for secure, hardware-based protection.

Convenience Meets Productivity

The Cubi 5 1M Series is designed to enhance productivity by improving the work environment and reducing clutter.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

VESA Mountable

With VESA mountable design, it can be mounted behind a monitor, on a wall, or in digital signage, freeing up desk space.

External Power Switch

If the computer is in a hard-to-reach spot, using the optional external power switch* is easier than bending down to turn it on.

MSI Power Link

The Cubi 5 1M Series can be powered on using the power button on the MSI-selected monitor to bring the most convenient user experience.

MSI Center

The MSI Center allows for easy optimization and resource allocation to enhance software performance.

Easy Maintenance Design

Its easy maintenance design enables quick component upgrades and routine servicing, saving time and streamlining upkeep.

MSI hardware + Surfshark = smarter, safer browsing.

With high-performance MSI systems and Surfshark VPN delivering instant, device-wide protection, enjoy secure, lag-free gaming, streaming, and everyday browsing.

MSI Support & Services

Comprehensive care solutions delivering trusted protection, expert support, and worldwide service access to ensure your MSI devices operate smoothly.
