Unlike most device power solutions our chargers and cables are made with 100% GRS-certified recycled plastic and are 100% recyclable. Thanks to innovative ultrasonic welding technology our chargers are durable and ultra-resistant without the use of glue and screws. All parts can easily be separated during the recycling process.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
