RECYCLE YOUR OLD ELECTRONICS

Unlike most device power solutions our chargers and cables are made with 100% GRS-certified recycled plastic and are 100% recyclable. Thanks to innovative ultrasonic welding technology our chargers are durable and ultra-resistant without the use of glue and screws. All parts can easily be separated during the recycling process.

Step 1

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Simply scan the QR code on our packaging, complete the form including reseller and country and download the postage sticker.

Step 2

Attach the postage sticker to an envelope (preferably one made from recycled materials) and send, for free.

Step 3

Your old cables, cases and chargers are processed, logged, dismantled, seperated then shredded into their core materials and ready for a new production.
