Philips USB Flash Drive FM32FD05B/00

Model: FM32FD05B/00

Manufacturer: PHILIPS

EAN: 8712581484231

Product Code: 1255941

R958

Trendy USB stick due to colourful design

Pick your trendy colour; canary yellow, party pink, ultraviolet purple, dragon green, electric blue or sunrise orange to enhance your daily pursuits of storing and sharing your data and hike up the fun factor

Easy opening and user-friendly packaging

The markings and perforations on the packaging show you the best way to open your packaging and get quick access to your USB stick without hassle.

Fast data transfer with high-speed USB 2.0

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

High-speed data transfer rates significantly cut annoying waiting time when you are copying large multimedia files to or from your computer's hard disk.

Specially designed and easy-to-use software pre-installed

A complete software suite is included and will run automatically from the USB flash drive, giving you access to useful features such as Password protection, File synchronisation, Data compression, USB lost and found and USB information. Additionally, it comes with a 30-day trial for Portable Microsoft Outlook Express, Favourites synchronisation and No-trace Internet browsing.

File synchronisation between complete PC and UFD

With file synchronisation of all the files on your PC, it is possible to access and work with your documents anywhere with just a few mouse clicks.

Protective integrated cap for your convenience

Never lose your cap again! The protective cap is integrated into the product design, so it will always stay attached to the USB stick. To bring it into use, you only have to turn the cap backwards, plug the stick in and play.

32 GB storage capacity for large data files

A useful 32 GB gives you the capacity to swap, share and save much larger or more files via the USB port of your PC or laptop.

Activity indicator lights up when copying files

An appealing glow shows you the drive is properly connected and working, and pulsates faster when copying files to or from its memory.

Protect your valuable personal data with a password

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
itworkup.co.za | sales@itworkup.co.za | +27 (11)541-9950

Due to password protection including 256-bit AES encryption, your valuable personal data can be protected from unauthorised access by simply using a password.

Automatic compression of all files saves free space

Save free space through automatic compression of all the files you put on the USB flash drive

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice.
