Multitask With Ease

Expand your workspace and seamlessly switch between tasks with support for up to 3 displays. Whether managing projects or creating content, the Lenovo V100q tiny PC keeps you productive and connected via lightning-fast WiFi 6, an HDMI®, DisplayPort™, ethernet, 5 USB ports, as well as an expansion port slot to adapt to your requirements.

EFFORTLESS IT MANAGEMENT

Perfect for ThinkCentre Tiny Ecosystem

The Lenovo V100q tiny PC boasts the Thin Client OS for virtual desktop infrastructure (VDI), easy manageability, and integration into the ThinkCentre Tiny ecosystem. It is an ideal solution to simplify IT and keep your business running smoothly.

PRIORITIZES SECURITY

360° Protection for Your Enterprise

Safeguard your data and device with ThinkShield security via a firmware Trusted Platform Module (fTPM) and self-healing BIOS. Block unauthorized data transfers with Smart USB Protection and prevent physical theft via Kensington Security Slot™.

CREDIBILITY & COLLABORATION

Sustainability

Our goal is to provide smarter technology that builds a brighter, more sustainable future for our customers, communities, and the planet. That's why we pursue industry-leading labels and certifications that demonstrate our commitment to sustainability in product design. Together, we can build a smarter future for all.
