HP USB 3.0 to Gigabit LAN Adapter

Model: N7P47AA

Manufacturer: HP INC.

EAN: 4514953933439

Product Code: 1269981

R1,280

Convert your notebook’s high-speed USB 3.0 connection to a fast 10/100/1000 Ethernet connection with the HP USB 3.0 to Giga LAN Adapter.

Forego wireless

Get reliable connectivity from a wired Ethernet connection to corporate networks and the Internet.

Easy to use

Connect the USB end of the adapter to any USB 3.0 or USB 2.0 port on your notebook and the Ethernet connector to your Ethernet cable (sold separately)—there are no drivers to download because they’re preinstalled.
