EnGenius Cloud Managed 1U 10A Smart PDU with 6 Metered Outlets

Model: ECP106-INT

Manufacturer: ENGENIUS

EAN: 4711488351732

Product Code: 1750302

R13,885

The EnGenius Cloud Managed 1U 10A Smart PDU with 6 IEC-C13, PDU 6P 10A 200-240V (ECP106-INT) serves as a cloud-based power management solution for diverse applications. It facilitates remote and local control, efficient energy management, and advanced surge protection. Additionally, it offers unified management for all EnGenius devices, simplifying maintenance and troubleshooting by enabling power cycling of multiple devices.
