Always Online. Always With You.

Say Goodbye to Messy Files and Cable Clutter

Share Files. Share Internet.

A versatile USB 3.0 port that does it all! Connect a hard drive to share files—or plug in a USB 4G/5G modem or your phone for internet access.

Power Anywhere With USB-C

Power up your network anywhere with a USB-C port, using a 5V/3A PD/QC power bank or an AC adapter.

To avoid potential damage, it is recommended to use the provided power adapter or a 5V/3A adapter that meets the certification and voltage standards.

With TP-Link HomeShield, enjoy advanced security features that deliver a safe environment that protects your family and network's data and privacy.

Home Network Scanner
