R76,487

ClickShare Hub Pro is a premium modular, wireless video conferencing system for enhanced hybrid meetings. Featuring two next-gen ClickShare Buttons (with Wi-Fi 6E and USB-C DisplayPort™), it ensures meeting participants enjoy secure, 4K wireless content sharing. With dual display support, it guarantees highly visual and engaging meetings.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

For IT managers and integrators, ClickShare Hub Pro offers a customizable solution for all room types, enterprise-grade security and compliance.

Next-gen ClickShare Button

The ClickShare Button 5th gen, featuring Wi-Fi 6E, offers faster speeds and more reliable connectivity for smooth, uninterrupted collaboration.

Featuring USB-C DisplayPort™, it enables guest-friendly, plug-and-play sharing — no software or drivers needed.

For added privacy and control, the ClickShare Button requires a deliberate press, preventing accidental sharing.

- Works seamlessly across all major OS in high-security environments
- Built-in security and user control
