You need a quality printer with top-of-the-line features to keep your business moving forward. Choose from the ZD621 4-inch or ZD611 2-inch premium desktop printers, built to perform flawlessly – day in and day out. They’re easy to set up, operate, manage and secure, thanks to Zebra’s exclusive Print DNA software suite. And, they're engineered for evolving technology for years of operation. Available in direct thermal, thermal transfer, healthcare, linerless and RFID models.

SOPHISTICATED, YET SIMPLE

The ZD600 Series gives you premium features and performance in a compact, easy-to-use desktop printer. They're simple to install, operate and maintain. Outstanding print quality paired with forward adaptability make them stand apart for years of superior printing. Multiple models support nearly every use case, including Healthcare and RFID.

ENGINEERED TO EVOLVE

Technology is constantly evolving. Be ready for what’s next with the ZD600 Series printers, built to perform today and tomorrow. With an intuitive user interface, 4.3-inch full-color LCD touchscreen, field-upgradeable wireless kit and media handling options, as well as an innovative new architecture to power ever-expanding printer capabilities.

UNMATCHED, PEACE-OF-MIND SECURITY

Security attacks are becoming increasingly sophisticated. Endpoints are often popular targets - including thermal printers. Proactively shield yourself from dangerous and costly security attacks. Unlike other brands, Zebra’s printers feature PrintSecure, part of Print DNA, to protect your data, secure your printer endpoints and prevent downtime.
