day in and day out. Easy to operate, they include Zebra’s exclusive Print DNA software suite that makes them simple to set up, manage and secure – onsite or remotely. And, they're engineered for evolving technology for years of operation. Unlike other brands, Zebra’s printers give you peace-of-mind security with PrintSecure, part of Print DNA, to prevent downtime and costly cyberattacks. Choose from direct thermal, thermal transfer, healthcare and RFID models.

SOPHISTICATED, YET SIMPLE

ZD621 printers give you premium features and performance in a compact, easy-to-use desktop printer. They're incredibly simple to install, operate, manage, maintain and secure – both onsite or remotely. Outstanding print quality paired with forward adaptability make it stand apart – for years of superior printing. And, multiple models support nearly every use case, including Healthcare and RFID.

ENGINEERED TO EVOLVE

Technology is constantly and rapidly advancing. Be ready for what’s next with the ZD621 that’s built to perform, today and tomorrow. It includes a more intuitive user interface, optional 4.3-inch full-color LCD touch display, field-upgradeable wireless kit and media handling options, as well as an innovative new architecture to power ever-expanding printer capabilities.

UNMATCHED, PEACE-OF-MIND SECURITY

Security attacks are becoming increasingly sophisticated. Endpoints are becoming popular targets - including thermal printers. Proactively shield yourself from dangerous and costly security attacks on your printers. Unlike other brands, Zebra’s printers feature PrintSecure, part of Print DNA, to protect your data, secure your printer endpoints and prevent downtime.
