

# Case NZXT micro ATX/Mini-ITX Black Midi Tower PC CC-H31FB-01

Model: CC-H31FB-01

Manufacturer: NZXT

EAN: 5056547207988

Product Code: 1424834

## R2,214

**Space-Saving Design**

The micro-ATX form factor fits into smaller spaces, maximizing desk space without compromising on performance.

**Optimized Airflow**

Ultra-fine mesh on the front, top, and sides enhances cooling while filtering dust. The ventilated PSU shroud optimizes intake from bottom-mounted fans.

**Full-Size GPU Support**

Max length of 377 mm (no front fans), 352 mm (with fans), 317 mm (with fans & radiator).

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

**7-Fan Capacity**

Supports up to 140 mm fans (two front, two top) and 120 mm fans (two bottom, one rear).

**Radiator Ready**

Supports a 280 mm front radiator and a 240 mm top radiator for versatile cooling setups.

**Back-Connect Ready**

Compatible with ASUS BTF and MSI Project Zero motherboards for a clean, cable-free build.

**Tool-Free Access**

Easily remove panels for building, upgrading, or cleaning.

**Easy Cable Management**

Integrated cable channels and tie-down points make routing clean and simple.

- Space-Saving Size: A space-efficient micro-ATX chassis that accommodates high-performance components without compromise.
- High-Airflow Design: Ultra-fine steel mesh panels and a ventilated PSU shroud maximize airflow while effectively filtering out dust.
- Extensive Cooling Support: Supports up to a 280 mm radiator in the front, a 240 mm radiator on top, and up to seven fans for powerful, customizable cooling performance.
- Full-Size GPU Support: Fits graphics cards up to 377 mm (without front fans), 352 mm (with front fans), or 317 mm (with front radiator and fans installed).
- Pre-Installed Rear Fan: Includes one F120Q (CV) fan at the rear to provide efficient exhaust airflow straight out of the box. CV = Case Version (3-pin DC)
- Simplified Cable Management: Integrated cable channels and multiple tie-down points make it easy to route and organize cables for a clean, organized build.
- Back-Connect Motherboard Compatible: Ready for rear-connector motherboards like ASUS BTF and MSI Project Zero, enabling a clean, cable-free aesthetic.
- Tool-Free Access: Removable top, front, and side panels allow for easy upgrades and cleaning—no tools required.

Summary: NZXT H9 H3 Flow. Form factor: Midi Tower, Type: PC, Product colour: Black. Front fans diameters supported: 120,140 mm, Rear fans installed: 1x 120 mm, Rear fans diameters supported:
