

InLine USB-C to Surface charging cable, 2m

Model: 26670A

Manufacturer: INLINE

EAN: 4043718294213

Product Code: 461608

R1,027

This charging cable enables a Surface Pro tablet to be charged on a USB Type-C charger. The optionally required power supply unit must provide the Power Delivery (PD) function with 15V/3A for this.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
