
InLine 4-port USB 3.0 panel hub for 3,5" floppy slot, black

Model: 33395B

Manufacturer: INLINE

EAN: 4043718203253

Product Code: 466161

R1,562

This Front panel hub allows you to connect up to four USB 3.0 devices directly from the front panel of your computer. You get 4 full valued ports that are of course also compatible with older USB 2.0 / USB 1.1 standards. The Front panel hub can easily mount into a 2.5" floppy bay installed, internally the hub is connected to the 19-pin internal USB 3.0 port on the motherboard or an optional USB 3.0 add-on card.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
