R1,701

Stylish and durable, this Targus® Portable Stand with Integrated USB-A Hub is made with aluminum that is designed to be foldable to an ultra-compact size (25.3 x 6 x 1.83 cm), perfectly stowed within a Targus® backpack or laptop case of the modern mobile worker who's looking to transform their laptop into a workstation at multiple workspaces.

Robust construction with aluminium not only offers a sturdy platform for your laptop, it also has high heat reduction characteristics to help prevent your device from overheating. Plus it can be adjusted to 5 difference positions so that your laptop screen stays in your eye line for the most optimum working posture to reduce back and neck strains.

The Targus® 100W PD GaN Wall Charger (APA109GL) is the perfect companion for this stand with integrated hub, delivering up to 100W power when connected to the USB-C port under the stand, the
