Single Monitor Stand

Desk mounted

Less Space Required - The slim and ergonomic design of the IB-MS203-T single monitor desk mount minimizes space usage, promoting a more flexible and productive workplace. This well-engineered solution enhances your setup without compromising functionality.

Smart Torque Adjust™ - Equipped with a built-in spring gauge, the Smart Torque Adjust™ feature allows for easy adjustments based on different monitor weights. This ensures a comfortable height adjustment thanks to mechanical spring support.

Cable Management - Integrated cable management routes cables under the arm, reducing clutter for a clean look. This thoughtful design minimizes tangling and tripping hazards, enhancing the aesthetics of your workspace.

Grommet and Desk Mount - The mount features a versatile grommet and desk mount base that suits most desks, with adjustable clamp height for easy installation. This adaptability ensures a secure fit on various desk surfaces.

VESA® Slots - Designed with VESA® slots for easy monitor installation, it supports both 75x75 mm and 100x100 mm VESA® standards. This makes setup quick and hassle-free.

Easy Assembly - Crafted from a robust combination of steel, plastic, and high-quality aluminum, this mount securely supports monitors up to 32 inches and 9 kg. Its compact packaging is optimized for e-commerce, ensuring easy assembly right out of the box.

Single monitor desk mount

Crafted with a robust combination of steel, plastic, and high-quality aluminium, our monitor mount ensures stability and durability. It securely supports monitors up to 32'' and weighing between 2 to 9 kg, providing a reliable solution that withstands daily use without compromising on strength.

Ideal ergonomic setup

An ergonomic monitor mount significantly improves comfort and promotes better posture by allowing you to adjust your screen to the perfect height and angle. This positioning reduces strain on your neck, shoulders, and eyes, preventing discomfort and fatigue during long hours of work.

Organize your space

Cable management is the key for maintaining a clean and organized workspace. Our IB-MS203-T is the perfect solutions for keeping your cables organized. Reduce the risk of tangling, tripping hazards and wear and tear. This greatly improves the aesthetics of your workspace.
