Extended 4K 60 Hz monitor support for Mac®, PC, and Chromebook

Enhance your productivity and multitasking capabilities by providing a spacious and immersive workspace, allowing users to simultaneously view and work on multiple high-resolution content, such as videos, images, documents, and applications, with smooth and crisp visuals.

Transfer data at 2X speeds up to 10 Gbps USB 3.1

Enables lightning-fast data transfer, allowing users to move large files, backup data, and sync devices in a fraction of the time compared to traditional USB connections, increasing productivity and efficiency.

Transfer photos and video at 3X speeds with 312 MB/s SD and microSD 4.0

Provides significant time savings for video editing and photography workflows, as it allows for ultra-fast and efficient transfer of high-resolution images and videos, enabling seamless editing, quicker file backups, and accelerated post-production processes.

40% more pass-through charging power with 140 W PD 3.1

Power and charge your devices up to 125 W with a 140 W PD 3.1 charger*, ensuring uninterrupted productivity, making it ideal for power-hungry devices and busy professionals on the go.

Fast and reliable gigabit ethernet

Provides high-speed and reliable wired internet connectivity, allowing for faster data transfers, seamless video streaming, and improved online gaming experiences.

Wired headphone and microphone support
