

LevelOne Industrial Gigabit PoE Injector, 36W, 802.3at/af PoE

Model: IGP-0101

Manufacturer: LEVELONE

EAN: 4015867196045

Product Code: 501310

R4,238

The LevelOne IGP-0101 is rugged designed 30 Watts, high power Single port industrial POE Injector is equipped with our high efficiency ColdDesign technology to provide 30 Watts power to your security equipment. The ColdDesign technology will not only power up your PD device, also reduce the excessive heat problem to a minimum. It accepts the input voltage from 48~56 VDC to deliver 30Watts power to meet IEEE802.3af/at standard. It is being rigorously tested for your Security, Transportation and Telco application.

Key Features

- PoE ports can support the IEEE 802.3at standard and power up 30W devices
- 1000Mbps full-duplex, 10/100Mbps full/half-duplex, auto-negotiation, auto-MDI/MDIX
- 40°C to 75°C operating temperature range
- Provides DIN-rail, wall or desktop mounting
