Model: PBESSPROMOPD10000K

Manufacturer: CELLULARLINE

EAN: 8018080485886

Product Code: 1691227

R1,184

The ESSENCE TURBO is the portable charger with a 20W USB-C Power Delivery port that guarantees maximum charging speed for next-generation smartphones. Equipped with two INPUT ports (USB-C and MICRO USB) for charging the Power Bank and two OUTPUT ports (USB-C and USB) for charging the smartphone. The design is designed to offer the best performance: the non-slip coating and the soft touch material give it a firm grip and a pleasant feel.
