Model: K58371WW

Manufacturer: KENSINGTON

EAN: 085896583714

Product Code: 503404

R2,967

The move toward hybrid working means that the modern workplace is no longer a single, easy-to-secure location. Users can be working anywhere, with an increased chance of visual hacking. Owners of the MacBook Pro 16 require a privacy screen filter that can be quickly attached and detached, allowing the laptop to close completely to enter sleep mode. The MagPro™ Elite Magnetic Privacy Screen Filter attaches seamlessly to the MacBook Pro’s magnetic frame, requiring no inconvenient adhesives. Allowing the device to close completely, the screen filter narrows the viewing angle to ±30°, limiting the chance of unauthorised viewing and reducing harmful blue light and glare.
