momentum again.

Integrated design

In collaboration with Steelcase, we have developed the Roam, a mobile stand in which you can seamlessly and hiddenly integrate the APC Battery: CSH2. The result? A clean and functional design that is not limited to a single room.

Easy installation

You place, attach and connect the APC battery in an instant.

Warranty

The factory warranty of the CSH2 is 3 years, with the APC service pack (WBEXTWAR3YR-SP-04) this is extended by 3 years to 6 years.

What's in the box:
