

SYNOLOGY DS225+ 2-Bay PLUS NAS Intel Celeron J4125 2GB ECC DDR4

Model: DS225+

Manufacturer: SYNOLOGY

EAN: 4711174726387

Product Code: 1723293

R9,079

The Synology Disk Station DS225+ offers a robust and efficient solution for data storage and management. Designed to support 2.5-inch and 3.5-inch drives, its hot-swap expansion bays allow for easy upgrades and maintenance, ensuring continuous data availability. With dual Ethernet ports featuring 2.5 Gigabit Ethernet technology, it enhances network performance, making file transfers faster and reliable. Operating in a range of temperature and humidity conditions, this NAS server is resilient and versatile. It is equipped with security features, such as a Kensington security slot and hardware encryption, safeguarding valuable data. The scheduled power on/off feature and cooling fan maximize operational efficiency while keeping energy consumption in check, ensuring that this system adapts to various storage needs.

Product Description: Synology Disk Station DS225+ - NAS server | Device Type: NAS server | Host Connectivity: Gigabit Ethernet / 2.5 Gigabit Ethernet | Max Supported Capacity: 40 TB | Dimensions (WxDxH): 10.8 cm x 23.32 cm x 16.5 cm | Weight: 1.3 kg () | Processor: 1 x Intel Celeron J4125 2
