

# ADATA UR350 USB flash drive 32 GB USB Type-A 3.2 Gen 1 (3.1 Gen 1) Brown

Model: UR350-32G-RSR/BG

Manufacturer: ADATA

EAN: 4711085945488

Product Code: 513452

## R740

## Chic Confidence on the Go

A flash drive that sparkles in your hand like a work of art. The simple streamlined design of the UR350 is attractive and stylish. It is crafted from metal material, polished to a nickel-toned finish that exudes quality. The detail provided by additional materials further highlights the combination of fashion and technology. An unibody capless design makes lost caps a thing of the past. With the UR350, data storage is no longer monotonous but instead a highlight of your workflow.

## Lighter that Your Expectations

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Light and powerful, like magic. Weighing in at only 3.5 grams, the UR350 is incredibly light. You can hardly feel its presence while enjoying smooth data transfers.

## Not Only Stores but Also Protects

The UR350 adopts a COB (Chip on Board) packaging process which not only makes its body lighter and thinner, but also confers water-resistance, shock-resistance, and dust-resistance, increasing protection for your data when accidents occur. This superior storage device represents a trinity of performance, weight, and protection.

## Let Speed Define Your Productivity

The UR350 features a USB 3.2 Gen1 transmission interface with a bandwidth of 5Gbps. It is plug-and-play and can quickly read and write files large and small. The UR350 is also backward compatible with USB 2.0 devices.
