GCB 18V-63 PROFESSIONAL: FURTHER INFORMATION

Product Highlights

Bosch's most ergonomic and compact cordless band saw – experience comfortable work, even in tight spaces, with the 18V, lightweight GCB 18V-63. Its blades can be changed tool-free thanks to a blade tension release and the protective guard with metal clips. From a vibration-free saw blade action for comfortable handling to an LED light for illuminating the work area, this band saw makes cutting convenient.

Equipment & Application

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice.
