XQ2566X

Gaming Monitor for Esports

Superior Clarity for Battle Royale — See Further. Track Clearer.

Designed for Battle Royale Players — Superior Clarity in Every Engagement

QHD — Enhanced Clarity for Battle Royale

Unlike typical 5v5 titles, where higher refresh rate and smoother motion matter more than resolution, Battle Royale benefits more from higher resolution with a good level of smoothness to spot enemies across larger, more complex battlefields.

Exclusive Dynamic Accuracy Technology (DyAc 3)

Best-in-Class Motion Clarity

Compared to any other panel types, a Fast TN panel with DyAc technology provide clearer and sharper images helping you focus and avoid the distraction of unwanted afterimages caused by rapid motion.

Enhanced Target Separation — Better Visibility with Color Filter

With Color Filter enabled, the XQ2566X reduces play zone color interference, making enemies easier to spot while maintaining natural tones for clearer target separation.

Faster setup. Consistent performance.
With ZOWIE Sync, the XQ2566X lets you control and apply your monitor settings instantly through tap-to-connect pairing, enabling easy access to shared and pro configurations while keeping your setup consistent. G Sensor provides angle reference for precise adjustment.

Comfort & Adjustability

New monitor stand incorporates industrial-grade bearings into the height adjustment mechanism, allowing easier and smoother adjustment to preferred height.
