Minimize accidental disconnections using this HDMI Cable with gripping connectors

This High Speed HDMI™ Cable is designed for reliable performance in enterprise, AV, and IT environments. HDMI 2.0 specifications are permanently etched into each connector-an exclusive feature that eliminates guesswork, ensures compatibility, and confirms the cable's ability to support high-bandwidth performance.

Stay-Connected Design

The HDMI UHD Cord features gold-plated gripping connectors to prevent accidental disconnections. The connectors attach securely to HDMI device ports, making this cable ideal for mounted and critical setups such as security systems and HDMI switches.

Experience Full-Featured HDMI 2.0

Drive sharp 4K video, fast refresh rates, and high-resolution visuals on UHD displays, workstations, video walls, and AV installations. This High Speed HDMI 2.0 cable supports 4K at 60Hz, 1440p at 144Hz, and 1080p at 240Hz at up to 18Gbps bandwidth for consistent, reliable signal quality.

Deliver deep contrast and accurate color with support for HDR10. Enable immersive multi-channel audio using ARC, Dolby Atmos®; DTS:X®; and 7.1 Dolby® TrueHD. Maintain secure content delivery with HDCP 2.2 across HDMI 2.0 and legacy devices.

Flexible Cable, Built for Durability

Route this HDMI cord easily around corners, behind displays, between desks and other equipment with a flexible, halogen-free TPE jacket rated to withstand over 2,000 bending cycles and robust connector strain reliefs. Aluminum-Mylar foil with braided shielding minimizes EMI in dense setups and shared spaces. Gold-plated connectors preserve signal integrity and resist corrosion, and are rated for 10,000+ insertions to support both daily wear and long-term use.
