ALL-IN-ONE ELEGANCE

Slim, Smart & Built to Perform

Powered by Intel® Core™ Ultra processors, the 24″ Lenovo ThinkCentre Neo 50a Gen 6, combines a sleek, ultraslim design with exceptional performance tailored for SMBs. Ideal for busy work environments, its whisper-quiet operation minimizes distractions, while its compact form maximizes productivity, delivering a clutter-free, professional workspace.

ROBUST SECURITY

Comprehensive Data-Device Protection

Enjoy smooth and secure business operations with this Gen 6 AIO. ThinkShield provides advanced hardware and software security solutions via a firmware Trusted Platform Module (fTPM) to protect sensitive data. For enhanced privacy and visibility control there’s an e-shutter while a security lock slot ensures device safety in public workspaces.

CREDIBILITY & COLLABORATION

Sustainability

Our goal is to provide smarter technology that builds a brighter, more sustainable future for our customers, communities, and the planet. That's why we pursue industry leading labels and certifications that demonstrate our commitment to sustainability in product design. Together, we can build a smarter future for all.

Specifications may vary depending upon region / model.
