

LogiLink CR0046 laptop dock/port replicator Wired USB 3.2 Gen 1 (3.1 Gen 1) Type-C Black

Model: CR0046

Manufacturer: LOGILINK

EAN: 4052792061314

Product Code: 1749277

R1,313

Turn your laptop into a handy workstation with this USB 3.2 Gen 1 mini docking station. It allows you to connect 3 USB ports and 5 individual card readers (SD/microSD/M2/MS/CF card) with a single USB 3.2 cable. Ideal for extending the limited functionality of a USB-C laptop. Fast data transfer speeds of up to 5 Gbit/s are now no longer a problem.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
