

Hama 00184118 Freedom Athletics Black

Model: 001841180000

Manufacturer: HAMA

EAN: 4047443482655

Product Code: 1040122

R919

Flexible wire placed in the cable allows the earbud to be used with a headband or as a classic earbud

Made from sweat-resistant materials, this earbud lets you play sports to the sounds of your favorite music

Ergonomic ear band adapts perfectly to your ears and provides stability, even when moving

Built-in microphones allow you to easily switch between playing music and answering phone calls; so you can no longer miss an incoming call while listening to music

Allows you to connect your headphones to multiple Bluetooth devices at the same time

Support for existing Siri and Google Assistant language assistants

Perfectly matched form factor reduces unwanted ambient noise for an uninterrupted music experience

Silicone earbuds in three different sizes (S, M, L) ensure a perfect fit of the headphones to your ears

Construction type: In-ear | Connection: Wireless | Built-in microphone: Yes | Noise cancellation:

Passive | Wireless connection: Bluetooth | Volume control: Yes | Cable length (m): 0.65 | Additional

functions: Siri and Google Assistant support; Charge status indication; Silicone ear tips (S, M, L) |
