R941

In a hotel or camper van: With the TRAVEL QUICK COOKER made of stainless steel, you can prepare coffee, tea, broth or an instant snack at any time.
Thanks to its switchable voltage from 120 to 230 volts, the 1000 watt TRAVEL QUICK COOKER made of stainless steel with a capacity of 0.5 litres can be used almost anywhere in the world. Safety is ensured by the boil-dry protection and boil-stop. The practical accessories: two cups, two spoons and a divisible storage container - everything fits completely into the device, including a storage bag.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
