RTS? Shooter? RPG? Sport? Whatever type of game floats your boat, this mouse’s adjustable speed between 800-4800 DPI will ensure you get the most out of your gaming.

The game doesn’t stop

There’s nothing worse than running out of battery when you’re just about to beat that level. Worry no more with the Felox, which offers up to 80 hours of playtime on a single charge and the ability to keep playing whilst charging!

Lights, colour, action!

Gaming just got groovy – 4 different multicolour LED lighting options allows you to personalise this mouse to best fit your gaming style. Life’s better in colour!

Button buddy

Six handy buttons, including two side buttons, scroll wheel button and DPI select, give you so many options to play how you like.

Keeping it classy

With two sleek colours to choose from – Booster Black or Winning White – you can pick the Felox that best fits your gaming setup. Which team are you?
