

Samsung S60D computer monitor 68.6 cm (27") 2560 x 1440 pixels Quad HD LCD Black

Model: LS27D600EAUXEN

Manufacturer: SAMSUNG

EAN: 8806095524641

Product Code: 421390

R4,628

The Samsung ViewFinity S6 is a testament to Samsung's commitment to high-quality display technology. This 27-inch LED-backlit LCD monitor is not just a visual treat with its QHD resolution and HDR10 support, but it's also designed to cater to the needs of professionals who demand accuracy and consistency in color. With a color gamut covering 99% sRGB and capable of displaying 1.07 billion colors, it ensures that every detail is vivid and lifelike.

Ergonomics are at the forefront of its design, featuring an ultra-flexible height adjustment system and the ability to pivot, swivel, and tilt, allowing users to find their perfect viewing angle, reducing physical strain during long hours of work. The inclusion of a built-in USB 3.0 hub further enhances its functionality, providing easy connectivity for all your devices without the clutter.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Moreover, Samsung has prioritized user comfort with Flicker-Free technology and Eye Saver Mode, reducing eye strain and making it suitable for extended use. Whether you're a professional graphic designer, a gamer, or someone who appreciates high-quality visuals, the Samsung ViewFinity S6 is designed to meet high expectations, combining performance with sustainability through its energy-efficient features.
