GDS 18V-1000 Professional: Further information

Product Highlights

The GDS 18V-1000 Professional is the powerful 1/2' impact wrench with BITURBO Brushless technology. Its cordless freedom with outstanding power is the outcome of the high-performing brushless motor fully maximised for ProCORE18V batteries. The new impact mechanism, which is designed to deliver a maximum tightening torque of 1,000 Nm and a maximum breakaway torque of up to 1,600 Nm, provides best performance for heavy duties. Three settings offer excellent control over speed/torque for high versatility.

Equipment & Application

The impact wrench is perfect for metal applications with machine screws from M10 to M24 like structural steel construction, metal assembly, pipe fitting, and for truck maintenance as well as for wood construction. It is compatible with all Bosch Professional 18 V batteries and chargers (Professional 18V system), for maximum power use ProCORE18V ≥ 5.5 Ah.

Additional Information

The GDS 18V-1000 Professional comes with ECP and EMP, a tool status indicator, LED light, a 1/2'
