Easy-to-use and lightweight eccentric sander for effortless sanding of flat and curved surfaces
The Bosch EasyOrbit 18V-10 combines a lightweight, compact design with a robust performance for a high-quality sanded finish on flat and curved surfaces. Ideal on medium-sized wood, plaster, painted, varnished or polished areas, this cordless random orbital sander comes with a microfilter dust box that collects sanded debris, ensuring easier handling and a cleaner workspace. The built-in Bosch Syneon Electronic protects your tool and battery. The tool belongs to the 18V POWER FOR ALL system. One battery can be used in all 18V POWER FOR ALL tools.
