

InLine Table leg clamp for socket strip, screw clamp, black

Model: 23197B

Manufacturer: INLINE

EAN: 4043718307609

Product Code: 460581

R1,119

With the table leg clamp from InLine, you no longer need to bend under your desk to reach your power strip. All sockets are easily accessible and the desk still remains tidy. As a result, the power strip is barely visible under the desk, yet the outlets remain easily accessible. The holder is attached to the desk leg with a robust screw clamp. Silicone pads protect against damage in the process.
