

InLine USB 3.2 Gen.2 cable, USB-C male/male angled, black, 1m

Model: 35701W

Manufacturer: INLINE

EAN: 4043718307395

Product Code: 466451

R993

Extremely high data rate up to 20 Gb/s: Ideal for connecting high-speed peripherals such as SSDs, external graphics cards, or docking stations with USB-C.

Supports USB Power Delivery up to 100 W: The cable enables fast and reliable charging of USB-C notebooks, tablets, and other devices.

Angled USB-C connectors for space-saving use: Perfect for installations with limited space, e.g., in IT racks or control cabinets.

High-quality construction with twisted wire pairs: Ensures high signal stability even in the presence of electromagnetic interference in professional environments.

A variety of cable lengths for flexible use: Available in five lengths from 0.3 m to 2 m – the right variant for every application.

The InLine® USB 3.2 Gen.2 cable with angled USB-C connectors offers a reliable and powerful connection for professional applications. With a data transfer rate of up to 20 Gb/s (USB 3.2 Gen.2x2, dual lane), it is ideal for use with external SSDs, USB-C graphics cards, or high-resolution monitors. Support for USB Power Delivery 3.0 up to 100 W/5A enables fast charging of powerful devices such as notebooks or tablets. Thanks to its high-quality construction with twisted wire pairs, the cable ensures particularly stable signal transmission – even in the presence of electromagnetic interference. The angled USB-C connectors ensure space-saving installation, especially in tight installation situations such as IT racks or industrial enclosures. The different lengths offer maximum flexibility for every application in a professional environment.

USB standard: USB 3.2 Gen.2x2
Connector: USB-C connector to USB-C connector (angled)
Max. data rate: 20 Gb/s (dual lane)
Supports USB Power Delivery 3.0 up to 100 W/5A
Cable construction: Twisted pair
Available lengths: 0.3 m / 0.5 m / 1 m / 1.5 m / 2 m
Color: Black
