

InLine Ajustable Cable Clamp 94mm black 10pcs

Model: 59969F

Manufacturer: INLINE

EAN: 4043718166824

Product Code: 469649

R889

The InLine® cable ties bundle clamps allow a very quick and direct application without additional tools. Especially recommended due to the reusability. They are used to bundle cables and other lines and cords. The integrated self-adhesive base also enables the bundled cables, wires, cords, etc. to be anchored in place. Alternatively, there is also the option of fixing this bundle clamp with a screw or nail. (screw and nail are not included)

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
