

InLine The 2x1 HDMI KVM Switch, 2x1, HDMI 4K2K, USB 2.0 Hub, with Audio

Model: 62602I

Manufacturer: INLINE

EAN: 4043718258802

Product Code: 470864

R2,608

The InLine® 2x1 USB HDMI KVM Switch enables the connection of two computers via USB and HDMI interface to an output device such as HD TV or HD monitor. In addition, other peripheral devices such as USB keyboard and mouse, as well as audio output device and microphone can be connected and assigned to a source.Please note:

The InLine KVM switches are designed for office and home office applications as well as for monitoring and controlling multiple computers from one workstation.

However, the KVM switches are not suitable for gaming accessories such as mice and keyboards with programmable special keys, nor are gaming monitors with high frequencies from 120Hz supported.

The hotkey function for the keyboard only works on the designated console USB port; hotkey control is not possible when connected via the USB hub ports.
