The ROG Strix LC III 240 ARGB features a new and quieter Asetek Gen7 V2 pump with updated cold plate technology capable of an additional 100 watts of cooling and temperatures up to 0.5° C lower*. Elevate CPU cooling efficiency for unmatched stability under intense workloads.

* Compared to Asetek Gen7 pump

Experience the Freedom

An innovative 360° rotatable water block features a magnetic design, offering unprecedented flexibility in water cooling installation.

Lighting Brilliance

Elevate your gaming rig with a variety of Aura lighting effects to create a colorful spectacle. The smart mode takes it further with dynamic lighting to visualize different hardware loads. And with Aura Creator support, you can tailor your own unique lighting effects, making your setup truly one-of-a-kind.

Cool & Quiet Mastery

Aesthetic Ingenuity

Subtle details, uncompromising style in form and function.

Extensive Compatibility

The ROG Strix LC III 240 ARGB is compatible with a wide range of Intel® and AMD motherboard platforms, giving you ample processor and build flexibility.

Cooling on Display

The addition of an LCD screen introduces a constellation of possibilities. Display live system stats, or customize animations to craft your unique gaming build.
