Scanning made easy: with the 10.9cm touchscreen you can scan wirelessly direct to network and cloud folders, email addresses, or attached USB memory stick - no computer required.

## Save time

Double-sided scanning in a single pass, 100-sheet auto document feeder and scan speeds of 35ppm/70ipm mean you'll be able to complete your work quickly and save time.

## Flexible scanning

Scan direct from the scanner’s touchscreen and create customisable presets and layouts without the need for a computer. You can also scan and share using your PC or Mac, with Epson ScanSmart software or use your phone or tablet with the Epson Smart Panel app.

## Intelligent

Intelligent colour and image adjustments - auto crop, skew correction, blank page and background removal with Epson’s Image Processing Technology.

## Peace of mind

With inbuilt sensors for paper jams, double-feeding, and dirt-on-glass detection, all documents are kept safe and scanned to the highest quality.

## Versatile

Scan anything between 27-409 gsm, including receipts, business cards, plastic cards and more, producing high quality digital files.
