

Epson WorkForce DS-800WN Sheet-fed scanner 600 x 600 DPI A4 White

Model: B11B275401

Manufacturer: EPSON

EAN: 8715946734149

Product Code: 482791

R19,678

Open platform

The DS-800WN features web-based open platform which allows seamless integration with Epson software or third-party software solutions. This means that businesses can customise their systems and integrate the scanner with existing infrastructures, business processes and workflows.

Network connectivity

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Integrated network connectivity means that the scanner can be shared by multiple users and each user is able to create their own settings. Also, the LCD touchscreen allows the user to operate the scanner directly, without the use of a PC.

High speed

The DS-800WN processes and digitises a high volume of documents, quickly and securely. Scan speed of 50ppm/100ipm, a daily duty cycle of 8,000 pages and an optional paper alignment plate, make this an ideal scanner for a wide range of industry sectors: from government, healthcare and legal, to finance, accounting and education.

Efficient

Built with efficiency in mind, the DS-800WN offers low power consumption, whether idle or in use. It's also made from 30% recycled plastics (from discarded IT products).

- **Open platform** Full Integration with ISV or Epson software solutions
- **High speed** 50ppm/100ipm, 8,000 pages daily duty cycle
- **Network connectivity** USB 3.2 Gen1, Wi-Fi, Wi-Fi Direct, LAN
