
PATCHBOX C60SMAOS21231Y InfiniBand/fibre optic cable 1.8 m LC SC OFC Yellow

Model: C60SMAOS21231Y

Manufacturer: PATCHBOX

EAN: 311778770133

Product Code: 486735

R1,216

PATCHBOX® is the most innovative cabling system for network cabinets ever. No more cable spaghetti, as the fiber optic cables are always available in the correct length. Easy to install and reduced maintenance. Saves massive amounts of time and money. The PATCHBOX® Plus+ Long Range is suitable for up to 46RU with a cable length of 2.5m. Our RoHS conform optic cables with Corning®-fibres are one of the very best on the market. Extractable fibre optic cables for the perfect length. Cable stopper for precise cable length adjustment. Each PATCHBOX® Cassette has its own labelling option. Steel frame for up to 24 PATCHBOX® Cassettes. PATCHBOX® Patchcatch (0RU cable management) also included for free. Easy replacement of PATCHBOX® Cassettes. PATCHBOX® has been designed with speed and simplicity in mind. The installation of the PATCHBOX® and the patching of the 24 cables is on average 8 times faster than the conventional method. Likewise, the typical maintenance work (moves, adds, changes) and the replacement of a
