D-Link DXS-1210-12TC/E network switch Managed L2 10G Ethernet (100/1000/10000) 1U Black, Silver

Model: DXS-1210-12TC/E

Manufacturer: D-LINK

EAN: 790069467653

Product Code: 494736

R22,773

10 Gigabit Ethernet For Everyone

10 Gigabit Switches used to be the exclusive realm of large companies. Now, D-Link’s DXS-1210 Series of 10 Gigabit Ethernet Smart Managed Switches brings the business benefits of high performance and low latency of 10G Ethernet to businesses of all sizes.

Enterprise Functionality at Small Business Prices

Our DXS-1210 switches are a cost-effective solution capable of servicing a range of network needs in businesses of any size.

Flexibility without Compromise

Supporting 10 GBASE-T / SFP+ combo ports, they provide flexibility across a network allowing easier network integration, and with high-performance and low latency they fulfil the need for virtualisation, cloud services and server-to-server applications - perfect for small to medium sized businesses.

High Performance and Low Latency

D-Link’s DXS-1210 Series specifically delivers up to 238* Mbps Maximum Packet Forwarding Rate enabling simultaneous traffic processing on all ports at line rate without any packet loss.

Switching capacity of up to 320 Gbps for the DXS-1210-16TC, up to 240 Gbps for the DXS-1210-12TC and up to 200 Gbps for the DXS-1210-10TS.

Advanced Green Technology

The DXS-1210 Switch Series offers advanced green technology without sacrificing performance or functionality. We take the approach to green IT one step further by incorporating a special chipset with advanced silicon technology for efficient use of energy.
