

Microconnect GRU0035WS power extension 5 m 3 AC outlet(s) White

Model: GRU0035WS

Manufacturer: MICRO CONNECT

EAN: 5704174826477

Product Code: 499464

R889

The MicroConnect GRU0035WS is a versatile 3-way Schuko socket featuring a convenient 5-meter cable and an integrated on/off switch. This extension socket is ideal for home or office use, providing a safe and reliable power distribution solution. With three Schuko sockets, you can easily connect multiple devices simultaneously. The 5-meter cable offers extended reach, allowing you to position your electronics where you need them. The built-in on/off switch provides added convenience and energy savings by allowing you to easily disconnect power to all connected devices. Designed to European quality standards, this MicroConnect power extension ensures both performance and safety, embodying our commitment to providing premium quality connectivity solutions.
