The CHERRY MW 3000 is an advanced 6-button wireless mouse with 2.4 GHz technology and an ergonomic design specially for right-handers. Its nano USB receiver is so small that it can safely stay inside the notebook even when you're on the move – the mouse is always ready for use. The CHERRY MW 3000 has a precise optical sensor and offers maximum energy efficiency thanks to its technical design. Used along with the on/off switch, this ensures a long battery lifespan. High-quality materials, non-slip surfaces and sophisticated ergonomics make the CHERRY MW 3000 wireless mouse what it is – a faithful companion in the office and the home.
