Kensington’s W2000 1080p Auto Focus Webcam delivers high-quality video (1080p @ 30fps), an omnidirectional microphone and unique features for privacy, camera placement and low light imaging. The W2000 is optimised to help you look your best on today’s most popular video conferencing applications and is part of Kensington’s Professional Video Conferencing ecosystem - a powerfully cohesive software and accessory experience that empowers you to spend more time collaborating and less time troubleshooting. Whether you’re working from home or from the office, the W2000 simply presents you, only better - on Microsoft Teams, Google Meet Zoom and more.
