Capture and Store Even More Hours of Full HD Video

With capacities of up to 1TB, you can store even more hours of Full HD video on the card and still have room for the videos, photos, music, movies and other files you want to shoot, save and share.

Transfer Speeds of up to 120MB/s

Blazing transfer speeds mean that your content moves fast letting you move up to 1000 photos in a minute [32GB-1TB].

Load Apps Faster with A1-rated performance

Rated A1, the SanDisk Ultra® microSD™ card is optimized for apps, delivering faster app launch and performance that provides a better smartphone experience.

SanDisk® Memory Zone™ App for Easy File Management

Available from the Google Play™ store, the SanDisk® Memory Zone™ app lets you view, access, and back up your phone's files in one location. It can also automatically move files from your device to your memory card to free up space.

Compatible with MobileMate® USB 3.0 Reader

Use with the MobileMate® USB 3.0 microSD™ card reader so you can move big files fast, move a lot of files fast or just make frequent file transfers that much quicker.
