R8,338

The Fellowes Powershred LX211 shredder is a powerful, secure, and convenient solution for all your shredding needs. Designed with micro-cut technology, it ensures that your sensitive documents are cut into tiny, unreadable pieces, offering a high level of security with a P-5 rating. Safety is paramount with the inclusion of SafeSense technology, which stops shredding immediately when hands are detected near the paper entry. This shredder is not only safe but also efficient, capable of running continuously for 20 minutes and handling up to 15 sheets of paper in a single pass. It's equipped with Anti-Jam technology to prevent annoying paper jams, ensuring a smooth operation. The LX211 goes beyond paper; it can also shred credit cards, paper clips, and staples, making it a versatile tool for protecting personal and professional information. A large 23-liter pull-out bin, enhanced with wheels, offers convenient disposal and mobility. Whether for home or office use, the Fellowes Powershred LX211 meets the demand for a reliable shredder that combines security, safety, and convenience.
