R1,392

AXAGON STND-LQ is a stand with two joints for a laptop or tablet, which ensures comfort and improves ergonomics at work. This stand is ideal for devices from 10" to 17.3". The joint mechanism allows you to adjust any combination of height and angle. This makes it easy to find the ideal stand inclination for maximum relaxation of your neck and back muscles. Enjoy a comfortable working environment with a compact and portable stand that adapts perfectly to your needs whether you're working at home, in the office or on the go.

The base is made of durable aluminium castings guaranteeing long life and reliability. Thanks to the

non-slip finish, you don't have to worry about unwanted movements – your device stays firmly in place without damaging the surface of the laptop or the pad. These carefully designed features ensure perfect stability for your laptop, tablet or even your favourite book, giving you peace of mind and comfort during everyday use.

A great advantage is the clever double-hinge solution, which allows you to smoothly adjust the height of the laptop screen to be flush with your external monitor. This gives you an additional work place at the correct eye level, which greatly improves ergonomics and comfort at work, while increasing your productivity.

The stand can be easily folded into a compact size, making it convenient to carry wherever you need to go. Its elegant grey design not only complements your desk in style, but also brings practical features you'll appreciate in everyday use.

Cutouts in the base ensure optimal heat dissipation from your laptop, increasing its performance and durability. Thanks to the sophisticated design, you can easily adjust the tilt angle, even with the device currently in use, for maximum comfort and efficiency when working.
