Introducing our PanzerGlass® screen protector, made of 60% glass. Kids love their tabelts – dropping, banging, scratching and bumping them as they go. That is just everyday life. And that is just what this PanzerGlass® screen protector is made for: protecting your tabelt from the hazards of everyday life. Accidental bumps against sharp-edged table corners or crushing falls onto stone-hard floors are no match for its scratch and shock-resistant layers.

The screen protector is easy to apply and once installed, you'll never again fear the sight of your tabelt slipping from your kid's fingers and tumbling to the ground. This may never happen, but if it does, you'll regret not having clicked "add to cart".
